the theme of the conference is reconstructing morals education and social sciences for
 achieving sustainable development goals this theme was formulated due to several
 considerations first the symptoms of moral decline that have the potential to destroy
 the nation morals guide humanity towards truth and civilization the phenomenon of the
 dehumanization process in the industrial era that pushed people to be part of abstract
 societies tends to ignore humanity the education process as a humanitarian system is
 increasingly marginalized especially during discussions about the industrial revolution 4.0
 and society 5.0 the conference placed six sub themes for speakers and participants to
 share ideas namely social sciences and laws history and cultural studies interdisciplinary
 studies morals and humanities policy politics and communication education the
 committee has received 195 abstracts from prospective speakers however there are
 only 80 abstracts that are eligible to be presented at this conference
